I'm fine with a meeting at COG in late September, and with providing an update to AWMC in June.

Michelle/Greg,

Thoughts/concerns with the request below? Ed is referring to the Anacostia Watershed Management Committee meeting.

Thanks,
Micka

Hi Micka and Jillian,

I talked with Phong and there is availability in COG's large training room (about 80 people) for the trash TMDL endpoint discussion with stakeholders. There is availability all day on September 2, 3, 13, 16, 17, 23, 26, 27, and 30.

Phong was also interested in getting a status update on both toxic and trash TMDL revisions at the Anacostia June 6th meeting. Jillian you presented at this meeting in the past when you talked about the toxic TMDLs.
